Technical Data Sheet AC03

SPECIAL FEATURES

- 3 months protection
- NSF approved
- Suitable for pumps or gravity drains
- Extends condensate pump lifespan
- Non-corrosive to metals
- 100% biodegradable
- No ecological toxicity

Gel-clear tablets dissolve in the condensate waste water, coating the drains in an antimicrobial protective layer preventing Biofilm formation along the whole dispersive route in any drainage system

Name	Gel-clear
Product Code	AC03
Packing Qty	6 pk clamshell
Appearance	Orange Solid Disc
Tablet dimension	20mm x 8mm

DESCRIPTION

Prior to use, ensure that the drains are flowing and free from blockages. Simply place the tablet at the opposite end to the drain outlet, ensuring its in contact with the water. If it is a central drain, two tablets can be used if preferred, but only one is necessary to prevent biofilm in the drains.

The tablet lasts for 3 months in the average 3kw wall mount unit. Replace every 3 months, or adjust to duty and operating environment

BIOCIDE

Gel-clear tablets and formula are fully compliant with the EU Biocide directive, REACH compliant, Article 95 & 65 of the Biocidal Products Directive.

Gel-clear is for professional use only, always wear suitable PPE when working with condensate waste water.

DANGER

Contains; Quaternary ammonium compounds, C12-14-alkyl[(ethylphenyl)methyl]dimethyl, chlorides; Quaternary ammonium compounds, benzyl-C12-18-alkyldimethyl, chlorides H302 - Harmful if swallowed H315 - Causes skin irritation H318 - Causes serious eye damage P280 - Wear eye protection, face protection, protective gloves P301+P312 - IF SWALLOWED: Call a POISON CENTRE or doctor if you feel unwell P302+P352 - IF ON SKIN: Wash with plenty of soap and water P305+P351+P338 - IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing P310 - Immediately call a POISON CENTRE or doctor P362+P364 - Take off contaminated clothing and wash it before reuse P501 - Dispose of contents/ container to hazardous or special waste collection point, in accordance with local, regional, national and/or international regulation.
