# Technical Data Sheet - Condensate Drain STRIPS For wall mounts and tank pumps

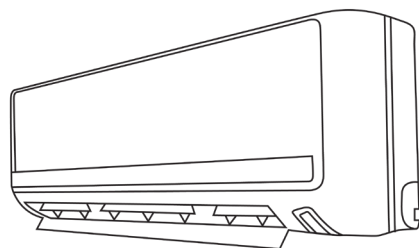

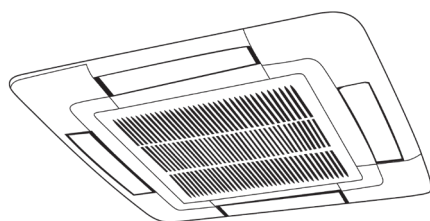

Gel-clear tablets dissolve in the condensate waste water, coating the drains in an antimicrobial protective layer preventing Biofilm formation along the whole dispersive route in any drainage system

Name	Gel-clear Green
Product Code	TGS18
Packing Qty	Single unit pouch
Appearance	Flexible soft green strip

## SPECIAL FEATURES

- 6 months protection
- Improves IAQ
- Prevents & controls biofilms
- Kills both Airborne, and waterborne bacteria
- Prevents odour - Long lasting pleasant fresh fragrance
- Pump safe
- Biodegradeable

## DIRECTIONS FOR USE

Place the strip in condensate drain pan. Placing the strip far from the drain outlet. Strips can be installed at any time. The strip dissolves very slowly, slow releasing biocidal Tea Tree Oil into the condensate waste water preventing biofilm and releasing a pleasant, natural, fresh fragrance.

## USE

Gel-clear Green strips are a ready to use product for the prevention of biofilm in wall mounted AC units, preventing biofilms that allow bacteria and odours to survive. Gel-clear strips release Tea Tree Oil molecules, that kill airborne bacteria in the unit, improving the air quality and the hygiene of the unit.

Gel-clear strips are specially formulated to slow release into the condensate waste water. The tablets are 100% water soluble leaving no residue. The tablets prevent and control biofilm.

Gel-clear green is for professional use only.

## DANGER

This product does not contain substances subject to authorisation (Regulation (EC) No. 1907/2006 (REACH), Annex XIV). This product does not contain substances subject to restriction (Regulation (EC) No. 1907/2006 (REACH), Annex XVII) chlorides

H302 - Harmful if swallowed  
 H312 - Harmful in contact with skin  
 H314 - Causes severe skin burns and eye damage  
 Precautionary Statements - EU (S28, 1272/2008)  
 P280 - Wear protective gloves/ protective clothing/eye protection/ face protection  
 P321 - Specific treatment (see supplemental first aid instructions on this label)  
 P260 - Do not breathe dust/fume/gas/mist/vapors/spray.

P303 + P361 + P353 - IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/ shower  
 P305 + P351 + P338 - IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, present and easy to do. Continue rinsing  
 P501 - Dispose of contents/ container to hazardous or special waste collection point, in accordance with local, regional, national and/or international regulation
