Technical Data Sheet
Gel-clear Blockblaster Gallo Gun (GG02)

The Gel-clear Blockblaster Gallo Gun is a lightweight, portable tool designed for the quick and effective unblocking of condensate drain lines and other pipework. It utilises food-grade CO_2 cartridges to deliver a powerful blast, clearing blockages with ease.

FEATURES

- **Powerful Cleaning:** Delivers 800 psi of pressure to effectively blast out blockages with a simple trigger press.
- **Compact and Lightweight:** Designed for easy handling and portability, eliminating the need for bulky equipment.
- **Mess-Free Operation:** Utilises CO_2 to avoid the mess associated with water back-flushing.
- **Environmentally Friendly:** CO_2 is a natural component of air, making it a safer and eco-friendly alternative to other methods.
- **Flexible Hose Assembly:** Allows easy access to cabinets, coils, and hard-to-reach drains.
- **Ease of Use:** Simply insert a CO_2 cartridge, press the trigger, and clear the line instantly.
- **Safety Features:** Equipped with a cone-shaped tube end seal and safety catch for secure operation.
