Condensate Drain Cleaner

Easy to use, biocidal condensate drain cleaner.

Kills biofilm forming bacteria.

Name	Foaming drain cleaner
Product Code	DCP022
Weight	215 grams
Colour	Orange
Soils	Limescale, Grease, fat, bacteria, mould, slime & biofilms

- Always wear gloves and eye protection when working with waste water.
- Pour powder directly into drain trap.
- Allow foaming action while slowly adding hot water.
- For stubborn blockages use plunger or wet vac.
- Rinse drain thoroughly with hot water on completion to wash all debris away.

INGREDIENTS

Sodium hydrogencarbonate, Citric acid,
Melaleuca alternifolia, ext. Magnesium distearate,
Fast Green FCF

CAUTION: Use biocides safely. Always read the label and product information before use.

WARNING.

Causes serious eye irritation.

Precautionary Statements:

Wash hands thoroughly after handling.

Do not touch eyes.

Wear eye protection/face protection.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

If eye irritation persists: Get medical help.
